Classifications

The classification system is split into three elements – **What** does the charity do, **Who** does the charity help and **How** does the charity operate. Each element has a number of options. A charity can select as many options within each element, but they must select at least one option from each.

Area of Operation

Area of operation is split between areas within England and Wales and areas outside. Within England & Wales, areas are broken down by local authority area. A charity can specify up to 10 local authority areas in which they work. If a charity works in more than 10 local authority areas, they can instead select a region. A charity can select either local authority areas or regions, but not both.

If a charity works outside of England and Wales, they can select all the countries they work in.
